I, \_\_\_\_\_, wish to become a member of the 2024 CSA at Charlann Farms by sharing in the economic responsibilities as well as the abundance of vegetables and fruits from this farm. In becoming a member of Charlann Farm's CSA, I recognize that due to the inherent risks of farming, there are no guarantees on the exact amount or type of produce I will receive. It is my responsibility to pick up my share at the designated time and location. All parties who split a share should understand that they are entitled to only one share to be collected on the indicated day by one share partner. I also understand that if I cannot continue my share, I will not be refunded the share price. Please note that TRADITIONAL FULL share holders will pick up their produce **EVERY WEEK**; TRADITIONAL HALF share holders will pick up their produce **EVERY OTHER WEEK**.

### CSA FLEX CARD SHARE HOLDERS

Unlike traditional CSA's, which tie you into specific products that the farmer selects for you, this flexible debit-style CSA card gives you the option to buy what you want, when you want it! This CSA Flex Card can be used for any items we sell. Once you've spent down your card, there is an option to reload prior to the end of the CSA season (October 3rd) to continue receiving your discounted rate. CSA Flex Card Holders can come anytime during normal business hours, and are not restricted to picking up items just on Thursdays.
